♟ CodeChef

Objective

Aspiring to secure an engaging Full Stack Developer position where I can leverage my technical expertise and creative problem-solving skills to develop dynamic, scalable, and user-centric web applications while making meaningful contributions to projects.

Internships

Cloud Virtual Internship by Eduskills. ⧉

- Data Engineering Virtual Internship by Eduskills.
- Cloud Virtual Internship by Eduskills.

Skills

Programming Languages :
Java,Python,C

Frontend Technologies :
HTML,CSS,JavaScript,React.js,Bootstrap

Backend Technologies :
Node.js,Express.js

Databases :
MongoDB,SQL

Certificates

- Python for data science by Edx
- Java cerfication by Pantech
- AI&ML by Excelr
- Introduction Machine Learning certificate by NPTEL(on going)
- Cloud Virtual Internship by AWS

Achievements

CodeChef ⧉
- Problem Solver - Silver Badge in codechef
- Contest Contender - Bronze Badge
- Codechef: solved 450+ problems

Leetcode ⧉
Solved 30+ problems in leetcode

Projects

Student Management System ⧉
Developed a scalable, efficient CRUD application with secure data management.
Technologies: React,Js,Express,Mongodb,Html,Css,Node

Calculator ⧉
Developed a functional and interactive calculator with basic arithmetic operations and a user-friendly interface.
Technologies:Html,Css,JavaScript

Student Registration Form
Designed and developed a secure, user-friendly student registration system.
Technologies :HTML,CSS

Education

Bachelor of Technology
Sasi Institute Of Technology and Engineering
2026 | Tadepalligudem, India
Cgpa : 8.81   2022-present

Board Of Intermediate
Sri Pragathi Junior and Degree College
Score :926   2020-2022

SSC
Z.p.p.h.s
Score :588   2016-2020

Activities

IOT Integrated and Machine learning Workshop: ⧉
Participated in a hands-on workshop,Developed a **Smart Irrigation System** using sensors for automated watering and an **Object Detection System** with Arduino to enhance security and monitoring.

DevOps Ecosystem
In the Devops workshop I gained hands-on experience with linux environment and Basic GIt commands to streamline development and deployment processes.

Participated in Smart India Hackathon
